

# Spread the Love -Not the Germs

**COLOUR** - Our full-colour dye-sublimation technology allows you to pick the colour that best reflects your brand.

**NAME & LOGO** - Our specialists can add personalized details to make recovering lost masks easier. Our in-house sewing department will ensure your logo or school name is perfectly placed.

**FIT** - Measure from the bridge of the nose to just under the chin to find the right size

\*Masks are another layer of protection. Please continue to practice physical distancing and regularly wash your hands.
